EDUCATION

Bachelor-2018

COMSATS University Islamabad, Sahiwal Campus
Bachelor of Science in **Mechanical** Engineering

Intermediate-2013

Govt. Post Graduate College, Chishtian
F.s.c (Pre-Engineering)

Matriculation-2011

Chishtian Science School Chishtian
Science (CHEM,PHY,COMP)

AWARDS AND CERTIFICATES

- BIZTECH attended an event in FAST NU as an participant - April, 2015
- HEC need based Scholarship-2014

SKILLS

Engineering

- ANSYS (APDL & Workbench)
- MasterCAM
- Solid Works
- AutoCAD

Non-Engineering

- Latex
- Corel Draw
- Photoshop
- Dev C++
- MS Office

OBJECTIVE

To develop professional skills and practical approach of engineering knowledge.

EXPERIENCE

Trainee Engr.

Adam Sugar Mills Ltd, Chishtian
[July 2018 to Date]

Trainee Engr.

Centaurus HVAC plant by Mecatech (Pvt.)
Ltd. (O&M Dept.) [April- June 2018]

Internship at Millat Equipment Ltd, Lahore
(MEL) [July 2017]

Internship at Muzaffargarh power plant
(NPGCL) [June 2016]

PROJECTS

Final Year Project

Title: Installation and Investigation of Geothermal Heat Pump for summer and winter climate in Sahiwal.

Summary: This is the replacement of Inverter ACs air coolers and heaters. This is reliable source of energy.

Semester Projects

- Mechanical Clock
- Automatic Hydraulic System
- Heat Detector
- Prototype of Steam Turbine

INDUSTRIAL TOUR

Heavy Industries Taxila: In HIT i comes to know about Manufacturing, Rebuild, Upgrade & Develop Tanks, Tank Guns & APCs.

KAPCO Ltd.: In KAPCO visit I learn about some critical things in Combined Cycle Power Plant.
