

NAEEM KHALID
MECHANICAL ENGINEER

OBJECTIVE

To have a growth oriented and challenging career, where I can contribute my knowledge and skills to the organization and enhance my experience through continuous learning and teamwork.

SKILLS & ABILITIES

- Auto-CAD, Pro-E
- HVAC system designing
- ABAQUS
- ANSYS
- Microsoft Office
- Teamwork

VITALS

Post Office Shah Nikdur Tehsil
Sillanwali District Sargodha.

Telephone: +923035896090
: +923464180033

E: naeemkhalid033@gmail.com

EXPERIENCE

ASKARI CEMENT LTD, WAH CANTT.

(JUNE 24, 2016 TO JULY 30, 2016)

Process of cement manufacturing was observed as an Internee-Engineer and well understood.

PAKISTAN ORDINANC FACTORY, WAH CANTT.

(JULY 06, 2015 TO AUGUST 15, 2015)

This industry offered me to observe and understand the manufacturing processes of different weapons.

EDUCATION

LEVEL	INSTITUTION	MARKS/CGPA
BSC MECHANICAL ENGINEERING	UNIVERSITY OF ENGINEERING AND TECHNOLOGY, TAXILA	3.52/4.00
F.SC.	ILM COLLEGE SARGODHA	905/1100
MATRICULATION	GOVT. H S SCHOOL, SHAHNIKDUR (SGD)	944/1050

AREA OF INTEREST

- Manufacturing Processes, IC Engines, Machine Design.

ACHIEVEMENTS

- Academic 1st position in matric and FSC in School and College respectively.
- First Position in Engineering Marathon Held at UET Taxila during Tech Fiesta 2k15.

PROJECTS

- Development of Test Rig for Boiling Heat Transfer in Mini channels.
- Design and fabrication of double pipe heat exchanger and it's Thermal Analysis in ANSYS Fluent.
- Design and fabrication of a suspension bridge with maximum strength to weight ratio.
- Design and fabrication of Regenerative braking system for a bicycle.

Reference will be provided if needed.
