

ENGR. KHURRAM SHEHROZ

ELECTRICAL ENGINEER (POWER)

Phone: (0092) 333-5775419

Email: S.shehroz.minhas@gmail.com

Mailing Address Near Muslim Aid, Mohallah Jaffarabad, Chakwal, Pakistan.

PAST EXPERIENCE (1 YEAR)

ONE YEAR TRAINING AT IESCO

(AUGUST 2017- JULY 2018)

During one-year Training at IESCO, I learned about

- Operation and Maintenance of Grid Station.
- Completed Power Management and Power Monitoring Training at RTC college.
- At P&I department, we learned about testing of different equipment's like Transformers, Energy Meters, and Connections.
- Completed Safety Hazards Course.
- Preparing drawings of grid system equipment and single line diagram of grid system.
- Learned about different types of Feeders, Cables, Poles and different safety equipment's.
- Learned about Analytical and Management skills at Sub divisional offices.

EDUCATION

| Qualification | Specialization | CGPA/Division | Institute/Board | Achievement |
|------------------------------|-----------------|-----------------|-------------------|------------------------------------|
| B.Sc. Electrical Engineering | Power | 2.92 | UET Taxila (SCET) | Scored Gpa of 3.5 in last semester |
| HSSC | Pre-Engineering | 1 st | BISE Rawalpindi | Scholarship Awarded |
| SSC | Science | 1 st | BISE Rawalpindi | A+ Grade |

ACADEMIC PROJECTS

- Reactive Power Compensation Using on Load Tap Changer Transformer for Single and Three Phase.
- Report on Kot Addu Power Plant KAPCO.
- Report on 132KV grid station Rawalpindi.
- Report on Heavy Electric Complex Taxila where we learned about Transformer construction and maintenance.
- Research report on causes of Load shedding.

SKILLS

- Electrical Testing/ Analysis
- Electrical Designing (FDRANA, Proteus, Multi-Sim, MATLAB).
- Cost Controls.
- Excellent Computer Related and IT related Skills.
- Confident Outlook; can work individually and in Team.
- Documentations.
