HSSC, Pre-Engineering	APS Ordnance Road, RWP	64.05%	2012
BSc, Electrical Engineering	UET Taxila	3.83 CGPA	2017

WORK EXPERIENCE

Intern - Ufone Tower

Feb 2018 - May 2018

Intern - Special Communication Organiation (SCO)

April 2016 - Sept 2016

Final Year Project

DESIGNING OF 2.4GHZ OMNI AND BIQUAD ANTENNA.

We have designed Omni directional and Bi-Quad antenna for communicating the devices or for broadcasting purpose.

These antennas are fabricated through material which can easily be available at any local hardware store with the gain of 10dBi.
