

SYED ALI HAIDER

Chemical Engineer

0344-1156254 | syedalihaidr008@gmail.com | House No L-63, Sector 5/M, North Karachi, Pakistan

To build a career that offer challenges and growth with opportunities to enrich my knowledge and skill while contributing my best to the organization.

CAREER OBJECTIVE

Internship
Byco oil refinery
May 2016 to June 2016

Working in operation department. Learning to crude handling and also respective product by knowing the knowledge of different parameter i.e. distillation, furnace, cooling tower, heat exchanger etc. and also learning the utilities

EXPERIENCE

International Certification
SIX Sigma (YELLOW Belt)
One day

Knowing the Information of Management, Type of problem facing by the company and also know how to resolve the issue

FYP
NED University
January 2017 to October 2017

Simulation-based project, includes designing of plant on ASPEN PLUS for ammonia looping and energy conversion

PROJECT

Gas – Liquid Flow:
NED University
March 2015 – June 2015

Characteristics of Different Flow Regimes. Designed and built. Can demonstrate the behavior of two-phase flow.

2013 – 2017
Institute
City, Country
Grade/CGPA

Bachelors of Engineering
NED University
Karachi, Pakistan
3.302

EDUCATION

2011 – 2013
Institute
City, Country
Grade/CGPA

Intermediate
Adamjee Govt Science College
Karachi, Pakistan
A-one

2009-2011
Institute
City, Country
Grade/CGPA

Matric
Dollina Public Secondary School
Karachi, Pakistan
A-one

Aspen HYSYS Simulation & Case Studies

By: Chemical Engineering Department* 10 – Day Based Session in December 2016

AWARDS AND CERTIFICATE

Fire & Industrial Safety with Fire Drill

By: Phoenix Safety Consultants 1 – Day Based Session in January 2017

PMI Workshop

Become a part of this organize and working as a membare.

Fore Casting Workshop

Attending the seminor for knownig the knowledge of forecasting.

Karachi Youth Festival

part of Leadership activity and managing the event

Asphen Hysis

Asphen Plus

Korf Hydrolics

Polymath

GAMS

PCB 123

SOFTWARE

Working Under Pressure.

Proficient in MS-Office including Word,PowerPoint,Excel.

PCB Designing

Good INTERPERSONAL AND communication skills.

Report Writing

SKILLS

Prime Minister's Laptop Scheme
(Year: 2016)

Awarded a laptop under Prime Minister Scheme

ACHIEVEMENTS

Poster Competition
(Year: 2017)

Participated in Interdepartmental Project N' Poster Competition* for The Project of ammonia simulation
