

# RESUME

## Muhammad Fahad Uzair

### Chemical Engineer

S/O Asghar Mehmood khokhar

**Home Address:** House No. A/34-A Muhallah Miana Gali Syed Gama Shah  
Mianwali City

**Mobile Number:** 0333-5308156

**Email:** fadikhokhar313@gmail.com

**CNIC:** 38302-4966280-7

### CAREER OBJECTIVE

To become a paraprofessional through continual search for the opportunities of Deeping and brooding my intellect skills and competencies in institutions to achieve its goals and made that institution one of the best.

### ACHIEVEMENTS

- Successful Participation in International Kangaroo Mathematics contest 2012
- Best Basketball Player in University 2013-2017
- Got scholarship half semester fee during graduation 2013-2017

### EDUCATION

2013-2017	<b>BSc Chemical Engineering</b> Wah Engineering College, University of Wah	CGPA: 3.07
2011-2013	<b>Higher Secondary School Certificate (Pre-Engineering)</b> FBISE Islamabad	Marks: 71%
2009-2011	<b>Matric (Science)</b> FBISE Islamabad	Marks: 84%

### PLANT DESIGN PROJECT

Production of 30 ton/day of Iso-Propyl Alcohol by Direct Hydration of Propylene.

Selection the Capacity of Plant	Equipment Design
Material Balance	Instrumentation and Control of Process
Energy Balance	HAZOP Study

### EXPERIENCE

- 2 weeks internship at Agritech Pak American Fertilizer Aug-2015  
Worked at Ammonia and Urea plant. Also attend the safety and health lectures.
- 4 weeks internship at Pakistan Ordnance Factories Aug-2016  
Worked at Material Testing Laboratory for testing the Copper and Zinc Percentage. Also worked in explosive factory for making the explosive from cotton.
- 4 weeks internship at Oil and Gas Development Company Limited(OGDCL) Oct 2017  
Worked at process plant. Crude stabilization. LPG formation. Natural gas Dehydration.

### RESPONSIBILITIES

- Member of Chemical Society in University
- Member of American Institute of Chemical Engineers, WEC Chapter

### SKILLS

- MS Office (Intermediate)
- MATLAB (Beginner)
- Aspen HYSYS (Beginner)
