

MUHAMMAD USMAN TABASSUM

Email: usmantabassum972@gmail.com

Mobile: **+92 3330688758**

+92 317 4564178

Address: Post Office Jaboka, Tehsil & District Okara, Pakistan.

Career Objective:

To acquire a position in a dynamic organization so that I can practically test the theory I have studied so far, apply my current knowledge and gain experience on a wider scale with professional growth.

Academic Credentials:

B.S Mechanical Engineering	Comsats Institute of Information Technology, Sahiwal.	January-2018
HSSC– Sahiwal Board	Suffa College Okara.	September-2013
SSC – Lahore Board	Govt High School Jaboka Okara.	August-2011

Technical Experience – Internships:

1. MILLAT EQUIPMENT LIMITED:

- A two week internship at Millat Equipment Limited Pakistan during Summer 2017 at Lahore.
- Got insight into:
 1. Production
 2. Maintenance
 3. Quality Control
 4. Heat Treatment

2. ATLAS HONDA LIMITED:

- A four week internship at Atlas Honda Limited. near Sheikhpura during Summer 2017. Worked on:
 1. Implementation of 5S.
 2. Improved operator safety on Band Saw.

Key Skills:

1. Fundamental knowledge of AUTOCAD, ANSYS, Solid Works and Microsoft Office.
2. Innovative and creative management skills.
3. Strong written and oral communication abilities.
4. Problem solving and analytical skills.
5. Strong organizational and time management skills.

Final Year Project:

Energy Efficient Building Analysis through Thermal Insulation:

We did Analysis of different insulating material on ANSYS workbench and calculated heating and cooling load.

Major Areas of Interest:

1. Pumps, Compressors and Heat Exchangers
2. Internal Combustion Engines
3. Maintenance Engineering
4. Refrigeration and Air conditioning
