Education

[UET Lahore](#), Pakistan
BS Electrical Engineering
CGPA: 3.209/4.0

Sept. 2014- June 2018

[Punjab College Okara](#), Pakistan
F.Sc .(Pre Engineering)
Marks: 85.16%

2011- 2013

[Badar Model School Habib Abad](#), Pakistan
Marticulation
Marks: 89.80%

2009- 2011

Semester

Projects

[Autonomous robot with obstacle avoider and object follower](#)
(Micro Processor)

Fall 2016

[Audio amplifier](#)
(Analog & Digital Electronics)

Fall 2015

[Rain Alarm](#)
(Digital Logic Design)

Fall 2015

Final Year Projects

Wall Climbing Robot crack detection
([Crack detection & Surveillance](#))

Fall 2017-Spring 2018

Interpersonal Skills

Team work spirit,Target Setting, Good Researcher
Leadership Qualities,Analytical Skill

Technical
Skills

Programming: Gava, C/C++
Math Packages: MATLAB, Workbench, Proteus
ETAP, Power World Simulator
Documentation: MS Word , Excel, Powerpoint

Scholarships

Punjab education foundation scholarship ([Matric level](#))

Workshops

Direct liquid immersion cooling of concentrator silicon solar cells in a linear
concentrating photovoltaic receiver
([April 03-04,2017](#))

Training Course in Lab view: Design of Transformer
([Dec,2016](#))

Maximum Solar tracking Workshop
([March 15-16,2018](#))

Professional
Memberships

Pakistan Engineering Council ([PEC](#))

Extracurricular
Activities

Volunteer Work, Cricket, Hiking, Football
