
Waleed Ahmed

To,

Manager Human Resource.

Dear Sir/Madam,

I am an Electronics and Information Engineering graduate from Northwestern Polytechnical University, Xi'an, Shaanxi, China, currently looking for working as an Engineer in a prestigious institute where I can use my technical skills and can improve my abilities for the betterment of my career and future of the company. A highly motivated professional, I am currently seeking a place in a company that offers an exceptional profile and vast experience in the technical field.

I believe my credentials make me a strong candidate for the post of **trainee Engineer** at your company. I would welcome the opportunity to talk with you further, about my qualifications, experience and interest in your company. Thank you for your time and consideration.

Best Regards,

Waleed Ahmed.
