

# FAISAL UL REHMAN

## Electrical Engineer

### CAREER OBJECTIVE

I am Faisal, who aims to be able to find an exciting field job in industry or Academics who will continuously motivate and drive me to do my best and where I can utilize my skills and abilities in order to be able to assist the company in achieving its company mission and goals.

### EDUCATION

2017

#### BACHELOR's DEGREE

BE Electrical Engineering  
Sukkur IBA University Sindh, Pakistan.

2012

#### Intermediate (HSSC)

Pre-Engineering  
BISE Sukkur, Sindh, Pakistan.

2010

#### Matriculation-SSC

General Science  
BISE Sukkur, Sindh, Pakistan.

### EXPERIENCE

2018

#### Research Assistant – Sukkur IBA

Currently I am working on the different electronics PCB design and projects like Energy- meter, Invertor and ECG signal measurement system

2018

#### Electronics Engineer – Intern

Descon Electrical Engineering where I have worked as intern electronics engineer for the Plant and Machine troubleshoot and Operating.

2017

#### PTCL Sukkur – Intern

Here I have worked on the telecommunication system troubleshooting, Operation of the Switching, OFS and Wireless system.

### INTERESTS

Cricket

Reading

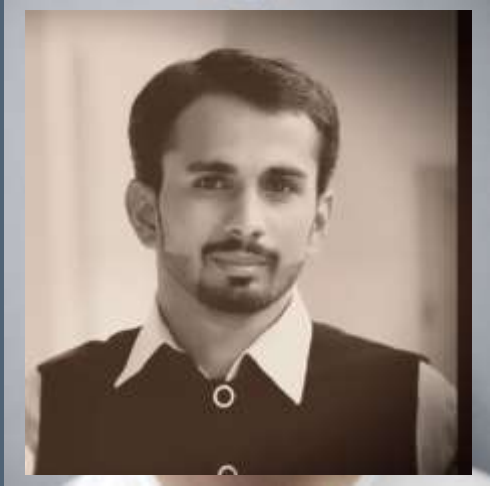

Coffee/ Tea

Travelling

### EXPERTISE

MATLAB Networking

PCB Design Research

### ABOUT ME

I am Faisal ul Rehman, I have done my Bachelor's Degree in Electrical Engineering from Sukkur IBA University.

I am interested in Research Work and Electronic Circuit Design and it's Troubleshooting.

### CONTACT

Sukkur IBA University Air Port Road  
Sukkur, Sindh, Pakistan,65200.
