## PROFILE

I have completed my bachelor degree of chemical engineering. I like to work hard and be committed for my objective; it helps me learning something new and developing new skills. I have always been motivated to achieve my goal and currently my goal is to achieve more working experience to understand the difference between the theoretical and practical knowledge.

## SKILLS

Leadership

Communication

Strategic Planning

Problem solving

Research

# ARSALAN AHMED

## CHEMICAL ENGINEERING

### EXPERIENCE

2015-2017

#### Aspen Hysys And Plus

- Through these two design software i have design distillation columns, reactors and process plants.

2014-2015

#### NACES chemical competition of power point presentation

- It was Fossil fuel vs Renewable energy competition and I was the leader of the Curtin group for this competition. Our group reached final round.

2014-2017

#### Designing Reactor, Columns and Plants Structure

- I have used Google sketch and Visio for drawing the structure of reactors, distillation column, instrumentation controller and Plants layout structure.

2014-2016

#### Curtin Housing Assistant

- Curtin Housing is an accommodation of university, which requires student assistant to monitor the houses and also help them in organizing any event.

2015-2016

#### Curtin University Model United Nations

- This was debating competition, in which I won the best debating performance award and best ambassador.

2016-2017

#### Treasurer in Curtin American chemical society

- My job was handle all the financial support and records given and collected by the society. Sometimes helping other departments with event and records organizing.

2011-2012

#### Junior Manager Distributor at ICI Paint distributor

- My responsibility was to deal with clients orders, keep the records for the goods and stay up to date with workers performance.

### EDUCATION

2013-2017

#### Bachelor of Chemical Engineering

Curtin Univeristy Malaysia

2009-2011

#### Forman Christian College

Lahore, Pakistan

### Cumulative Grade Point Average

CGPA

3

### HOBBIES
