- Prepare Service entry sheet of CS Contract workshop monthly bills in SAP

DESCON Engineering Limited

Intern Engineer

Duration: 4 months

- Planning & Scheduling of Projects (Primavera P6).
- Man Power Deployment.
- Analysis of daily, weekly and monthly progress.
- Coordinate with proposal department during preparation of technical bid. And preparation of BOQs
- Basic knowledge of Sap

NishatPower Limited (NPL)

Intern Engineer

Duration: 2 months

Work Description:

- Observed planned maintenance activity of HFO Fire Wartisla engine(18V46)
- Observed control room operations with NPL shift engineers.
- Observed operation of Steam Turbine Generator.
- Studied Protection of Alternator and Transformer.
- Developed Understanding of safety protocols.
- Submission of report at the end of Internship.

STRENGTHS

- Excellent at Creative & Innovative Ideas, Purely dedicated to Work.
- Self-motivated ability to work in team and hardworking nature.
- Quick learner, able to grasp new ideas, concepts and methods.
- Flexible in terms of job type and location.

ACADEMIC CAREER

Degree/Certificate	Institution	Duration
<i>Bachelors of science in Mechanical Engineering</i>	<i>University of Lahore(UOL), Pakistan</i>	<i>(2013-2017)</i>
<i>Intermediate (F.Sc Pre-engineering)</i>	<i>Punjab College of Science, Grw, Pakistan</i>	<i>(2011-2013)</i>
<i>Matriculation</i>	<i>Jinnah Public School, Grw, Pakistan</i>	<i>(2009-2011)</i>

PROJECTS & WORKSHOPS

FINAL YEAR PROJECT:

Working of vapor compression cycle from solar power (Solar Water Dispenser).

COURSE ASSIGNMENTS:

- Heating and cooling load calculations for Engineering-block of University of Lahore.
- Workshop practice project for fabricating a milling machine.
- Designed a piston of desired dia in SOLID EDGE.
- Workshop practice project of making job of desired dimensions on Lathe machine.

WORKSHOPS ATTENDED:

- Speak out for differential mechanism at UOL (Main Campus).
- Workshop on amateur photography by SOCA-UOL.
- Workshop on prismatic beams at UOL.

SOFTWARE SKILLS

- Solid Edge
- AutoCAD (Mechanical) 2010
- MSOffice (Word, Excel, PowerPoint)
- SAP
- Primavera P6

KEY SKILL PROFILE

- Participation in Dramativals 2015 at UOL.
- Member of ASME (American Society of Mechanical Engineers).
- Participation in Badminton tournament in Sports Gala 2014 at UOL.
- Project Management and Scheduling training
- Training on Primavera P6
- SAP Plant Maintenance (PM)

EXTRA-CURRICULAR ACTIVITIY

- Reading Articles,
- Watching Television Series & Movies,
- Sports (playing and watching) Cricket, Football
