Experiences

Al Abbas Fabric Pvt. Ltd. : Mar 2018 - Cont.

Process Control Analyst: To Analyze and Control the processes in Dyeing Department on ISO and given Standards.

BYCO Petroleum : Dec 2017- Jan 2018

Intern: Practical Learning Experience of “Crude distillation and refining processes”

Archroma Pakistan: May 2017- June 2017

Intern: Learning experience of “Textile Wet Processing”

Organizing member, Modern Trends in Science, Engineering & Technology (MTSET 2017)

PC Hotel, Karachi

2017 (2 days conference)

EDUCATION

BE Chemical Engineering

Dawood University of Engineering and Technology, Karachi, Pakistan

2014 - 2018

CGPA 3.38/4.0

Project: Design and Fabrication of Photo-bioreactor for the Cultivation of Micro Algae for Biofuel Production

Courses

Online course: Oil and Gas Industry Operations & Markets

Duke University, USA

Online course: Research Communication

AuthorAID

Membership

- Executive Member AIChE DUET Student Chapter (2016-2017)
- American Institute of Chemical Engineers (AIChE)
- International Association of Engineers (IAENG)
