

Objective

TO ACQUIRE A POSITION IN A DYNAMIC ORGANIZATION THAT ENCOURAGES A TALENT, PROVIDE CHALLENGES AND OPPORTUNITIES TO UTILIZED MY SKILLS AND KNOWLEDGE EFFICIENTLY AND EFFECTIVELY

Education

NED UNIVERSITY OF ENGINEERING AND TECHNOLOGY

JAN 2015 - SEPT 2018

Major: mechanical engineering

GPA: 3.3/4

INTERMEDIATE

JULY 2012 - JULY 2014

Higher Secondary School Certification (HSSC)

From Adam-jee Govt. Science College Karachi (86.00%)

MATRICULATION

MAR 2010 - MAR 2012

Secondary School Certification (SSC)

From Programmer School (90.00%)

Work Experience

LUCKY CEMENT LIMITED

OCT 2017 - NOV 2017

Internee

Deployed in mechanical department for 4 weeks.

HINOPAK MOTORS LIMITED

JULY 2016 - AUG. 2016

Internee

4 weeks of summer internship with complete exposure to industrial knowledge.

Certifications

Certification of six sigma (green belt)

2018

Certification of appreciation of management by 'Ittehad Energy Ltd.'

2018

Certification of "natural ventilation concept and design"

2016

PROJECTS

Final Year Project: proposed different dual axis tracking frame of solar panel and optimize the cost the cost by using engineering technique to reduce the cost of 15 KVA system

2018

Formula Racing Car: participate in a engine and drive train department

2017

Created the application of isobaric plane as a fluid mechanic project

2016

Performed simulation analysis on rocket nozzle that how much it sustain pressure

2015

15-oct-1996

Male

+92213353302698

arsalanahmed1736@gmail.com
