EDUCATION

B.Sc. Electrical Engineering

University of Engineering and Technology, Taxila (Pakistan)

09/2014 – 08/2018

CGPPA: 2.98

Final year project

- IoT based Home Automation System

Cambridge A'level

Roots College International

06/2013 – 07/2014

Pre-engineering with 1A and 2B's

Cambridge O'level

Organon Schooling Concepts

06/2010 – 07/2012

1 A*, 6 A's and 1B

SKILLS

Packet Tracer

MATLAB

ETAP

Google App Engine

C++

Arduino IDE

Adobe Photoshop

PCB designing

PROJECTS

IoT based Home Automation System

Automatic Lighting Control

Magnetic Mixer

Dark detector

Basic ATM machine using C++

Line following robot using arduino

Obstacle avoider using arduino

AM and FM modulator

ACHIEVEMENTS

UET chess champion 2017-2018

Winner of IEEE chess competition 2018

Ambassador AirNexus 16

Captain of roots cricket team 2012-2013
