

DATAR BUX MUNGRIO

Address: Apartment no. 19, Block -17, Johar Complex, Main University Road, Karachi.

Email: datarbux@gmail.com **Cell No:** +92-303-3246501 -0332-3099871

Personal statement

My career goal is to utilize my knowledge & skills I acquired during my educational career in Dawood University of engineering & Technology for continuous growth and advancement in a highly competitive & challenging environment.

Education

UniversityName	Degree Title	GPA	Final Year Project
Dawood university of Engineering & Technology.	BE Chemical	3.2	Hydro treating of Light Naphtha
Year		2013-2016	
CollegeName	Intermediate	Grade	Board
Mazhar Muslim Model Higher Secondary School Ranipur	Pre-Engineering	A	Board of Intermediate Education Sukkur
Year		2010-2012	
CollegeName	Matriculation	Grade	Board
Mazhar Muslim Model Higher Secondary School Ranipur	Science	A	Board of Secondary education Sukkur
Year		2008-2010	

Final Year Project (BE Chemical Engineering)

HYDROTREATING OF LIGHT NAPHTHA (In Collaboration with National Refinery Limited – NRL)

Objectives Achieved:

- Extensive Literature Survey
- Designing of Process PFD & P&ID
- Designing of Pumps, Heat Exchangers, Furnace & Reactors.
- Material & Energy Balance of the process.
- Hazop Study, Plant safety & Environmental impact.

Internships

ATTOCK REFINERY LIMITED RAWALPANDI

Objectives Achieved:

- Orientation with HSEQ department.
- Overall plant orientation & Study of Process PFD & P&ID.
- Study of Separation Process of Water, Crude Oil & Condensate.
- Study of Distillation column and separation of products in plant.

- Ajax Compressors, Refrigeration package & Columns operation & maintenance.
- Plant maintenance during Annual Turn Around (ATA)

Certificate Courses

- Research Methodology
- Microsoft Office Proficiency Certificate Course
- HSE Course (Managing Safely) Institute Of Occupational Health And Safety.

Seminars/Conferences Attended

- Symposium on “Expanding Frontier & Advancing Environs of Chemical Engineering in Pakistan” held on Sept 17, 2016.
- Attended one day Seminar on “Introduction to Occupational Health, Safety & Environment.
- Attended one day conference regarding “Introduction to Petroleum Refinery” to be held on June 4, 2013.

Key Skills

- Good Communication Skills.
- Acquired team management skills while leading group in Final year Project.

Hobbies & Interests

- Book/Magazines/Newspaper reading & awareness of Current Affairs.
- Social Networking.

Personal Details

- Father’s Name: Muhammad Jindal
- CNIC # 45208-7362160-1
- Languages: English, Urdu, Sindhi

JOB EXPERIENCE (AS A PROCESS ENGINEER)

- Work as a production officer in Reverse osmosis process
- To calibrate ozone of generation to test concentration of chlorine ozone TDS turbidity present in water.
- To keep the knowledge of R.O ,plant
- Study of membrane & flashing of R.O plant in order to keep membrane clean.
- To work as process engineer in ranipur sugar industry to handle the plant process & also control the quality of sugar.
- Also shutdown period experience ,Knowledge about tubular heaters ,Evaporators
- Waste water treatment plants Coagulation, Flocculation, Sediments, **BOD’S & COD’S.**
