Afridi Hostel Street # 01, Taj Abad Board Bazar,
Peshawar KPK, Pakistan.

Objective

I like to work for an organization in challenging environment. I want to serve for humanity with the best of my abilities. To get job in a reputable organization, to apply and enhance my skills and knowledge. To work for improvement of the organization. To be financially independent from my parents.

Education

Ghulam Ishaq Khan Institute of Engineering Sciences and Technology (GIKI)

Bachelors of Science in Mechanical Engineering

Topi Swabi, PK

SGPA: 3.23/ 4.00

2013-2017

Government College Peshawar

F.Sc.

Peshawar PK

Result: 80.63%

2010-2012

The Bara Model School and College

Matric

Peshawar PK

Result: 82.95%

2008-2010

Work

Experience

SNGPL, Peshawar

Summer 2016

Internee in Distribution Department

Haier Pakistan

4th Dec, 2017

Executive in Quality Assurance Department

Continue

Responsibilities

Shift Incharge

Daily production, rework and rejection reports

Monthly progress report presentation

Check and Balance of critical stations

Supervising Welding Line, Safety Room and Testing Room

Switching from R134a to R600a (refrigerant) Project Leader

Initiate Competition (Welder Competition)

Analysis of market complaint of gas Leak

Final Year

Project

Design and manufacturing of Kaplan Bulb Turbine

A turbine works on low head and high flow rate, feasible to install at river and canal bank in order to utilize available energy

Academic

Courses

Thermodynamics	Power Plants	Manufacturing and Welding
Heat Transfer	Basic Electronics	Engineering Economy
Fluid Mechanics	Circuit Analysis	Entrepreneurship & Marketing
Measurement & Instrumentation	CAD & CAM	Sociology

Awards &

Achievements

2nd position in FATA in GIKI entry test

Awarded by full funded FATA scholarship for four years BS Engineering Program at GIKI

Member of Bara Education Society

Member of Society of Mechanical Engineers of Pakistan (SMEP)- GIKI Chapter

Skills

Creo Parametric

Microsoft Office

OHS certificate

C++ language
