

# SAMEED RASHEED KHAN

R-675, 2<sup>nd</sup> Floor, Sector 15-A/3, Buffer zone, Karachi  
Cell # +92 311-2804160  
Email: sameedrasheed106@gmail.com

## OBJECTIVE

To pursue career leading to professional and personal development in a progressive organization, that values its human resources and rewards performance by employing all potentials & proficiencies.

## PERSONAL INFORMATION

Father Name : Sarwar Rasheed Khan  
Marital Status : Single  
Nationality : Pakistani  
D.O.B : 17.10.1996  
N.I.C : 42101- 7078929-1

## ACADIMIC QUALIFICATION

Education	Major	Year	From
Inter	Pre-Engineering	2012 - 2014	Adamjee Science College.
Matriculation	Science	2011 - 2012	Akbar Public School
Bachelor	Mechanical Engineering	2014 – 2018	NED University

## FINAL YEAR PROJECT

### ➤ Design and Fabrication of wear measurement machine

Fabricate portable wear measurement machine which is easy to operate, and calculate the friction, wear, and wear rate of different metals. By analyzing the result and we can suggest which metal is most preferred.

## INTERNSHIP

### ➤ Amreli Steels

(21/Oct/2017 – 11/Nov/2017)

Closely monitored the activity that were being performed in mechanical maintenance and gained practical knowledge. Daily inspection in utility sector, quality department and operation sector and check list were prepared on daily basis.

### ➤ PIA (Pakistan International Airlines)

(10/July/2018 – 24 /July/2018)

Daily inspection in engine overhaul and white body hanger. Deeply studied about the reaction engines, compressors, propellers and fans etc.

## TECHNICAL SKILLS

- Knowledge of Microsoft Office.
- Pro-E
- AutoCAD
- Minitab
- Mat lab

## CERTIFICATIONS

- **Pump and its applications**  
organized by **KSB** Pumps company  
limited at Amreli steels.
- Certificate of participation in  
**Propellair** organized **IMechE** at NED  
University

## PROJECTS UNDERTAKEN

- Fabrication of Laminar Flow Nozzle
- Design and Fabricate RC Airplane
- Design and Fabrication of  
Truss(prototype)

## INDUSTRIAL VISITS

- Dollar Industry
- HUBCO
- Pak Suzuki
- Amreli steels

## ADDITIONAL SKILLS

Strong administrative and organizational skills.  
Possess judgment & decision making skills  
coupled with excellent communication &  
presentation skills also have management and  
computer skills. Hardworking and possess  
leadership qualities. Develop critical thinking  
and reasoning.

## EXTRACURRICULAR ACTIVITIES

- Initiated NGO (Because We Care)
- Director Creativity in ASHRAE NED  
Student Chapter
- Volunteered in IMechE Ned Chapter
- Volunteered in ASME (American society  
of mechanical engineers)
- Organized Iftar drive
- Organized different technical events in  
NED University
