EDUCATION

BS Mechanical Engineering

Pakistan Institute of Engineering and Applied Sciences

09/2014 – 07/2018

Islamabad, Pakistan

CGPA:

- 3.06

A Levels

Fahims School System

10/2012 – 06/2013

Karachi, Pakistan

Courses

- Mathematics
- Chemistry
- Physics

IGCSE

New World International School

07/2009 – 06/2011

Al Khobar, Saudi Arabia

Courses

- Mathematics
- Chemistry
- ICT
- Physics
- Second Language English

WORK EXPERIENCE

Internee

Weatherford

07/2016 – 08/2016

Islamabad, Pakistan

Multinational Oil and Gas Services

Tasks/Achievements

- Secure Drilling Services, Management, Teamwork, Maintenance, Technical Checkups, Safety Drills, Stock-Taking

Global Volunteer

AIESEC

07/2017 – 08/2017

Gaziantep, Turkey

Achievements/Tasks

- Tourism Promotion, Content Writing, Location survey, Volunteer work, Cultural workshops

SKILLS & COMPETENCES

MS Office

PTC Creo

ANSYS

Solid Works

MATLAB

PROJECTS

Design and Fabrication of Lab Scale Boiler and Condensation Unit

- Lab scale unit to study heat transfer coefficients. conducted as a degree requirement

Design and Analysis of 2-stroke Gasoline Engine

- Development of working 3D Model on PTC Creo followed by mechanical analysis of proposed design.

Design and Analysis of Suspension system of 1000cc automobile

- Working 3D model fabricated on PTC Creo, followed by mechanical analysis on ANSYS

ORGANIZATIONS

PIEAS Debating Society

Executive Council Member
