

Saad Aslam

Buffer zone, North Nazimabad Town, Karachi

Cell # +92336-0855421

E-mail: saadaslam95@gmail.com

OBJECTIVE

Seeking an opportunity to work an organization that will provide a platform to utilize my skill and expend my knowledge in Electrical Engineering.

EDUCATION

Bachelor of Engineering (BE) in Electrical Engineering (Power)

Institute: Usman Institute of Technology (Hamdard University)

Session: 2013-2017

Cgpa: 3.30

Intermediate (Pre-Engineering)

Institute: Govt. National College

Session: 2011-2013

Matriculation

Institute: Kamran Public School

Session: 2009-2011

Experience

- SYSTEM ENGINEER AT RESCO PVT LTD PRESENT
Contractual at HBL PLAZA
- INTERNEE at Lucky ONE Pvt. Ltd. 1st Aug' 16 to 31st Aug' 16
Learned about bus way power distribution, public address system, building management system.
- INTERNEE at Automators Pvt. Ltd. 15th Jan' 16 to 15th Feb' 16
Learned about industrial automation, PLC, DCS, ladder logic.
- Volunteer experience as a Data Entry operator at Aga Khan university-Human development program

Final Year Project

▪ **On-Grid load Management System Using PLC**

Description:

- Using Hybrid Source (Solar and K-Electric) perform automation of a room in real time scenario.
- On overload condition (when our solar panels are not able to run heavy load like motor, iron etc.) our heavy load will switch automatically from solar to K-Electric supply
- Switching of all appliances from Solar to K-Electric supply at night

Certification

- Industrial automation and controlling
- Electrical Power Distribution System & Planning (For H.T, L.T, O.H & U.G Main 11KV/440V)
- AutoCAD 2d/3d

Software Knowledge

- MS Office
- C-Language
- AutoCAD
- MAT Lab (basic)

Skills & Interest

- Can work with in team.
- Can converse in English and Urdu.
- Excellent with Internet browsing
- Travelling & Tourism.
