- Installation of protection system for motors.
- Greasing of HT motors.
- Indenting of electrical equipment's for the plant.

Lucky Cement Factory

March 2016 — May 2016

Internee

Responsibilities and Duties

- Maintenance of LT trolleys.
- Testing of dielectric strength of mineral oil of transformer.
- Hand on experience on motor control circuit.
- Installation of protection system for motors.
- Checking and maintaining of SF6 gas.

Peshawar Electric Supply Company (PESCO)

June 2015 — August 2015

Internee

Responsibilities and Duties

- Recording readings of all incoming and outgoing feeder's hourly.
- Checking transformer temperatures and oil level.
- Checking and maintaining of SF6 pressure.
- Checking specific gravity and voltage DC batteries.

FINAL YEAR PROJECT

Smart metering with load management using power line communication

SEMESTER PROJECTS

- Home automation system
- Traffic light system
- Noise meter
- Phase control of SCR

CERTIFICATES

Autocade Electrical

July 2017 — August 2017

- Autocade electrical course from ADD skills institute

SKILLS

- Autocade electrical
- MATLAB
- LabView
- FPGA
- Flow code for PIC microcontroller
- Porteous
- DEV-C++

COMPUTER SKILLS

- MS office
- MS project
- MS Windows
- Hardware installation
- Software installation
- Application of internet
- Operating windows XP, windows 7, windows 8
