

Muhammad Faheem Saleem

Electrical Engineer

📍 Islamabad/Rawalpindi | 📞 +92-340-8137928 | ✉️ fahimrao23@gmail.com

"As a detail oriented individual, I greatly enjoy working in a dynamically challenging environment alongside dedicated professionals. I consider communication as the key to consumer satisfaction, therefore I benefit tremendously of being a multi-lingual person. My proficiencies are deeply rooted in my working ethics as I consider my work not only as an opportunity to learn something, but also as a professional grooming experience."

EDUCATION

2009 - 2011

● **Matriculation(Biology)**
Federal Board of Intermediate and Secondary Education Islamabad
As a regular candidate, I appeared in Matriculation examinations held in 2011 as a regular candidate and secured 778/1050 marks, with 74% and A Grade.

2011 - 2013

● **FSc Pre-Engineering**
Govt Gordon College Rawalpindi
As a regular student, I appeared in Intermediate examinations held in 2013 and secured 819/1100 marks, with 74%.

2014 - 2018

● **BSc Electrical Engineering**
Army Public College of Management and Sciences (APCOMS) (Affiliated with UET Taxila)
I have completed my bachelors of Electrical Engineering from APCOMS with a CGPA of 3.72/4. My Final Year Project(FYP) was "Automatic Ku Band Antenna Alignment System Based on Maximum Signal Strength". I intend to continue my hard work to benefit my country.

The major subjects during my bachelors include:

- Power Electronics
- Linear Control Systems
- Analog/Digital Communication
- Digital Image Processing
- Electromechanical Systems
- Electronic Devices and Circuits
- Fiber Optics
- Instrumentation

WORK HISTORY

2018 - 2018

Trainee Engineer

EME 502 Central Workshop Rawalpindi

I completed a 17 days internship in 502 Central Workshop EME. During my training I gained essential practical knowledge on the function and handling of electronic equipment, its troubleshooting and workshop practices. I underwent internship on the following specialties:

- Computer Equipment
- Telecommunication Equipment
- Counter Improvised Explosive Devices Equipment
- Wireless Equipment
- HARRIS Communication System
- Mine Detectors, Metal Detectors and Jammers

SKILLS

LANGUAGES

I fluently speak Urdu and English. I can also read and write these languages to a strong degree

TYPING

I touch type in most of my task with a typing speed of around 15-30 wpm depending upon the keyboard conditions.

MATLAB

I have a firm grip on MatLab and Simulink. I have an understanding of Matlab commands and Simulink Functions.

MICROSOFT OFFICE

I have good command over different Microsoft Office Programs such as MS Word, MS PowerPoint, MS Excel

PROTEUS & EAGLE CAD

Being the one of my favorite designing software, I have a good understanding of Proteus and Eagle CAD for the designing of Circuits and PCBs.

AUTOCAD

I have a basic understanding of 2D/3D designing in AutoCad 2013. One of my semester project included a 3 Bedroom Full house designing in 2-D in AutoCad.

INTERESTS

My interests Include:

- Electronics Projects as hobby.
- Watching Football and Cricket.
- Physical Fitness.
- Exploring and searching about new innovations in science and technology.
- Studying about Businesses and Startups.

AWARDS AND CERTIFICATES

During my academic career, I received the following certificates :

Date	Issued By	Title
2017	Ezxprt	Certificate of participation for attending a 1 day workshop on "IT Awareness and Network Security"
2018	PEB	Certificate of participation in a 1 day CPD Short Course on "Research Paper Writing Using LATEX Software" organized by APCOMS. (1 CPD Credit Point)
