

Personal Information:

Date of birth:

27-11-1994

CNIC #:

37201-2128447-3

Gender:

Male

Domicile:

Chakwal (Punjab)

Mobile:

03135260512

E-mail:

mirzaarslansakhi1@gmail.com

Permanent address:

MCB 1/756-B, mohallah Jaffar
Abad, Chakwal

Languages:

English, Urdu (Writing, Reading,
Speaking)

CAREER OBJECTIVE:

Seeking the challenging and responsible position where my education, knowledge and experience can be effectively utilized for the benefit of the organization and to enhancement of my career.

ACADEMICS:

- **B.SC Electrical Engineering** 2014-2018
Riphah international University, Islamabad
First Division
- **F.SC Pre Engineering** 2011-2013
Govt. postgraduate college, Chakwal
First Division
- **Matriculation** 2008-2010
District public school, Chakwal
First Division

FINAL YEAR PROJECT:

Development of over speed detection and checking system for highway safety:

My Final year project was an automated speed detection system which can detect the speed of vehicles and if over-speeding occurs, camera will be monitored which takes the picture of vehicle and send data wirelessly to the control room.

Semester projects:

- Intelligent temperature sensor with visual notification using PIC microcontroller.
- Implementation of traffic signals control unit.
- Implementation of filters (HPF, LPF, BPF, BRF).
- Design and implementation of power amplifier.
- Design and implementation of audio amplifier.
- Home automation system

Skills:

- Office Tools (Word, Excel, PowerPoint)
- Matlab and Simulink
- Programming in C/C++ and Python
- Xilinx ISE design Suite
- LT Spice, Proteus and Multisim for Simulation of Electric Circuit
- Conflict Resolution
- Time Managment
- Leadership
