Farhan Ali

METALLURGICAL AND MATERIALS **ENGINEER**

Mohalla Sharif pura, Street no.3, Farogabad, District

Sheikhupura, Pakistan

To work in a challenging and competitive work environment of a reputable organization where my education, training, skills and abilities related to industrial advancement can be fully applied and to grab learning opportunities for the fulfillment of corporate as well as personal goals.

WORK EXPERIENCE

Internee Engineer

Pakistan Council of Scientific & Industrial Research.Lahore-Pakistan

07/2017 - 08/2017

- Achievements/Tasks
- performed various testing on engineering materials i.e, Mechanical testing, Plasma spray, CVD coating, Nanotechnology, X-ray Flouresence, Tribology, Metallography

Trainee Engineer

I G S Engineering (PVT) limited 6km Sargodha road Sheikhupura

09/2018 - Present

SHEIKHUPURA

- Achievements/Tasks
- Foundry shop, machining shop and Laboratory in-charge In lab perform various chemical mechanical tests.

EDUCATION

Bachelor in Metallurgical & Materials Engineering

University of Engineering & Technology, Lahore

09/2014 - Present

Cgpa: 3.373/4

- Courses
- Iron & Steelmaking processes
- H.T & P.T in metals and alloys
- Advance Ceramics
- Foundry engineering
- Engineering Ceramics
- Composite Materals
- Corrosion Engineering

Intermediate Education

Punjab Group of Colleges, Sheikhupura

09/2012 - 09/2014

914/1100

- Courses
- **Physics**

- Chemistry
- Mathematics
- Enalish

Matric/SSC Education

Govt. Muslim Lasani High School, Faroogabad, District Sheikhupura

04/2010 - 07/2012

920/1050

- Courses
- Physics

- Chemistry
- Mathematics
- Biology

SKILLS

Analytical Skills Leadership Decision Making Management Hardworking **English Fluency** Social Involvement Solidworks Microsoft Office Origin 8 Image J

ACADEMIC PROJECTS

Synthesis & Characterization of natural soil based Geopolymers Foams (10/2017 – 05/2018)

Mini project on solidification behaviour of Al casting with and without risers. (11/2017 – 12/2017)

Effect of various heat treatment parameters (03/2018 - 04/2018)

Mini project to find corrosion rate of various metals

ACHIEVEMENTS

Ranked 2nd in Academics at Secondary School Level

☐ Industrial tours to Heavy Mechanical Complex (HMC) Taxila.

LANGUAGES

Urdu English Punjabi

INTERESTS/HOBBIES

Good researcher Reading Travelling Cricket Gardening
