Muhammad Asif

E-mail: masif0217@gmail.com   Phone: +923087736004

Address: Street # 04 House# 1156 Mohalah Dharam Pura, near Colony Chowk Tehsil Mailsi, District Vehari.

Qualifications

B.Sc. Electronic Engineering

Education

B.Sc.Electronic Engineering   Nov 2013 — Aug 2017
Islamia University, Bahawalpur
PEC No: 26564
3.47 / 4

F.Sc   Aug 2010 — Sep 2013
B.I.S.E Multan
870 / 1100

Matriculation   Oct 2008 — Aug2010
B.I.S.E Multan
929 /1050

Interests

I have interest in making software, designing hardware, and software linking to hardware system and develop robotic system. Therefore, I selected **"Long Range Voice Controlled Robot Using Android Cell"** in my final year project because in that project involved both hardware and software work. Beside this I made small projects one was water level indicator and 2nd was door locking system using dual tone multi frequency(DTMF), a small chip was also design IC(integrated circuit) LM741. I play cricket, badminton and football to keep healthy myself. Seeking to establish a career with a progressive organization where my experience ability and performance can have impact on the organization's productivity resulting in feature and work for an organization by exploiting all my knowledge all my expertise even, not only for the improvements of that organization but also for the development of Country.

Skills

- Computer language (c,c++), programming software(uvision IDE, AutoCAD ISE, Proteus, LabView, PSpice, and origin.), Software installation, Matlab, PCB Designing, Circuit layout and Microsoft office (MS word, MS excel, MS power point). Good interpersonal skills. Communication, Coordination, Problem Solving, Decision Making, Planning, Execution.
- Urdu, English, Punjabi
